COMMERCIAL – DOMESTIC – FIRE – INDUSTRIAL - MUNICIPAL

**Grundfos/PACO/Peerless**

Packaged booster and HVAC systems, submersible well pumps, vertical multi-stage inline pumps, solar well and vertical multi-stage pumps & controls, circulators, chemical metering pumps & skids, submersible sewage pumps, end suction pumps, ANSI pumps and utility pumps, air separators, and pressure tanks.

**Hydromatic/Myers**

Submersible Sewage Pumps, Dry Pit Sewage Pumps, Self-Priming Sewage Pumps. Effluent, sewage, solids handling, grinder, dry pit, self-priming pumps and control panels.

**Patterson**

Prepackaged fire pump and water pump skids and buildings, single fire pumps, end suction pumps, turbine pumps and wastewater pumps.

**BJM/GRINDEX**

Dewatering, storm water, solids handling, shredder, Slurry, hi-temp & stainless steel pumps and controls.

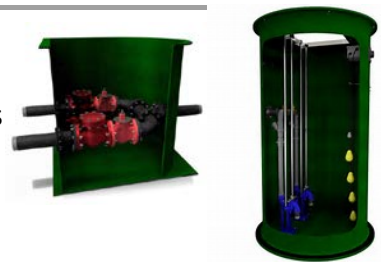

**Viking Pump**

Positive displacement industrial pumps. Internal and external gear and rotary vane pumps.

**AKI**

Pre-plumbed basins and valve boxes. Rail packages, covers, and basin accessories

**Amtrol**

Thermal expansion tanks for heating, cooling, and pressure boosting systems. ASME & Non-ASME

**SJE Rhombus**

Pump control panels, tank alerts, level sensor, And float switches.

### Baker

Municipal and Industrial water systems.  
Pitless adapters, booster pumps, and packaged pitless  
booster systems. NSF 61 offered.

### Flomatic Valves

Air release, vacuum, automatic control valves,  
Backflow preventers, breakoff plug, strainers,  
Butterfly, check, foot, gate and VFD valves

### Danfoss

Pump control low voltage AC drives,  
soft starters and filters.

### Little Giant

Irrigation, pond, sprinkler, sump and jet pumps.

### Goulds

Wholesale Irrigation, pond, sprinkler, sump and jet pumps.  
Municipal & Industrial turbine pumps.

### Franklin Electric

Submersible well motors and large drives, controls,  
and soft starters

### Price Pump

Magnetic drive centrifugal, close-coupled centrifugal, vertical centrifugal & AOD pumps, and VFD's. Stainless Steel and Elastomer Options Available.

### Hydra-Cell

Sealless diaphragm, hydraulically balanced metering pumps

### AMT

Specialty pumps – engine drive, pedestal drive, self-priming, Coolant, drum, submersible, sump, and HVAC pumps.

### March Pumps

Centrifugal sealless chemical magnetic drive pumps.

### Lakos

Municipal, Irrigation and Industrial Water filters, sand separators and screens.

Flowserve  
Mechanical seals.

### Versa-Matic Pump

Air operate double diaphragm pumps (AODD).

**Simmons**

Submersible well accessories – Well seals (custom) & caps, foot valves, check valves, vent pipes, hydrants, etc.

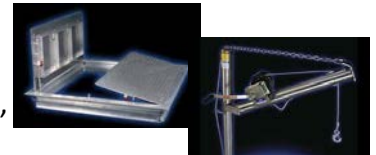

**Norwesco**

Polypro storage tanks – water or sewage. Above ground or below.

**Halliday**

Basin Accessories – Hatch covers, ladders, trash baskets, And portable hoists

**Proco Products, Inc.**  
 Rubber and Stainless Steel  
 Expansion Joints.

**Motors**

**Full Line of Accessories Available:**

- Flow Meters
- Coupling
- Valves
- Sensors
- Tanks
